

Project Name: \_\_\_\_\_

Team Name: \_\_\_\_\_

Category	Points	Description	Notes
Implementation	15	<ul style="list-style-type: none"><li>• Did the team present working code?</li><li>• Was the team successful in their implementation?</li><li>• How challenging was their implementation?</li><li>• Does the implementation showcase a level of complexity?</li><li>• Was an appropriate tech stack utilized?</li></ul>	
Creativity	10	<ul style="list-style-type: none"><li>• Is the idea for the project unique?</li><li>• Was the data used in a creative way?</li></ul>	
Data	10	<ul style="list-style-type: none"><li>• Was the provided dataset used?</li><li>• Were additional datasets or external APIs used?</li></ul>	
Impact	10	<ul style="list-style-type: none"><li>• Does the project address the goal?</li><li>• Was the data used in a way that empowers change towards the goal?</li><li>• What is the potential magnitude of the implemented solution?</li></ul>	
X-Factor	5	<ul style="list-style-type: none"><li>• What is magnitude of WOW!?</li></ul>
